

# STAGELIGHT PRODUCTIONS

April 26, 2024

Dear Sponsor:

STAGELIGHT PRODUCTIONS is a California non-profit children's theater organization dedicated to providing educational theater in your community. One of the most important aspects of our program is that all children who register for the production are given the opportunity to perform. In addition to teaching our children about the art of theater and giving them a chance to perform in a major production, our program helps build their level of confidence through successful experiences within the acting group and before an audience.

In an effort to provide our children with high quality productions, our fundraising committee has planned a Silent Auction to be held on the evenings of our Gala opening performances of this summer's play, "Joseph and the Amazing Technicolor Dreamcoat". These auctions will be held on Thursday, July 11th and Friday, July 12th at the Curtis Theatre in Brea.

We are asking for your support in the form of a tax-deductible donation of merchandise, gift card, or an event voucher. Auction items will be creatively displayed along with a detailed description of the item and acknowledgement in the program. This is a splendid opportunity to promote your company, while supporting a worthwhile cause. Your thoughtful investment in children's theatre also provides you a tax deduction.

For questions and to arrange the pick-up of your donation, please contact our silent auction donation coordinator, Stacey Duncan at [stagelighdonations@gmail.com](mailto:stagelighdonations@gmail.com) or 714-614-5837. We will need your item by Saturday, July 6<sup>th</sup>.

On behalf of STAGELIGHT PRODUCTIONS, I would like to thank you for your consideration and generous support in helping us to build a strong, rewarding future for young people in the arts.

Sincerely,

*Janice Kraus*
